	ENGLISH
	ANALYSIS OF MATCH SITUATIONS - Considerations
	Fouls: careless, reckless, using excesive force / Violent conduct
1	Does the player show a lack of attention or consideration when making his challenge?
	Does the player act without precaution when making the challenge?
	Does the player make fair or unfair contact with the opponent after touching the ball?
	Does the player act with complete disregard of the danger to his opponent?
	Does the player act with complete disregard of the consequences for his opponent?
	Does the player have a chance of playing the ball in a fair manner?
	Is the challenge putting an opponent in a dangerous situation?
	Does the player touch the ball after making contact with the opponent ?
	Does the player have far exceeded the necessary use of force when making the challenge?
	Does the player use brutality against an opponent when challenging?
11	Is the challenge clearly endangering the safety of the opponent?
	What degree of speed and/or intensity is the player using when making the challenge?
13	Does the player show clear malice when making the challenge?
14	Does the player lunge at an opponent from the front, from the side or from behind?
15	Which part of the body has the player used to make the contact?
16	Does the player use his studs when making a tackle?
17	In which part of the opponent's body is the contact made?
18	In what direction are the tackler's feet pointing?
19	Is the player challenging for the ball at the moment the contact is made?
20	Does the player(s) charge the opponent in a fair manner?
221	Do you consider the foul an act of violent conduct or a serious foul play?
222	Has the challenge been committed in a fair manner or a careless manner?
248	Does the player use his arm as a "tool" or a "weapon"?
249	Does the player challenge for the ball in a fair manner?
	Breaking up a promising attack
21	Which is the distance between the offence and the goal?
22	Does the player have control of the ball?
23	Can the player gain control of the ball?
24	What is the direction of play?
	How many defenders are involved in the situation?
26	Where are the defenders located?
27	How many attackers are involved in the situation?
	Where are the attackers located?
	How many options to pass the ball did the player have when he was fouled?
30	Does the challenge break up a promising attack?
	Denying a goal or a goal-scoring opportunity
31	What is the distance between the offence and the goal?
32	Does the player have control of the ball?
	Can the player gain control of the ball?
	What is the direction of play?
	How many defenders are involved in the situation?
	Where are the defenders located?
	Is the offence a direct free kick or an indirect free kick?
	If there is not an offence, does the player have an obvious oportunity to score a goal?
1 20	Does the player deliberately handle the ball to deny the opposing TEAM a goal?
- 39	

ANALYSIS OF MATCH SITUATIONS - Considerations

Handling

- 41 Is the hand moving towards the ball or the ball moving towards the hand?
- 42 Are the players hand's or arms in a "NATURAL POSITION" or a "UNNATURAL POSITION"?
- 43 Does the player attempt to avoid the ball striking his hand?
- 44 Does the ball strike his hand from a short or from a long distance?
- 45 Does the player use his hand or arm to deliberately touch or block the ball?
- 46 Does the player prevent an opponent gaining possession of the ball by handling it?
- 47 Does the player attempt to score a goal by deliberately handling the ball?
- 48 Does the player prevent a goal by deliberately handling the ball?
- 49 Does the player prevent an obvious goalscoring opportunity by deliberately handling the ball?
- 50 Does the player try to deceive the referee by hadling the ball?
- 256 Is the ball moving in the direction of the goal?

Holding

- 51 Does the player hold an opponent to prevent him gaining possession of the ball?
- 52 Does the player hold an opponent to prevent him taking up an advantageous position?
- 53 Does the player deny an obvious goalscoring opportunity by holding an opponent?
- 54 Does the player hold an opponent with his hands or with his body?
- 55 Does the player hold an opponent for tactical purpose of pulling the player away from the ball?

Simulation

- 61 Is there contact between the players involved?
- 62 Does the attacker use the slight contact to deceive the referee?
- 63 Has the attacker initiated the contact between his opponent and himself?
- 64 Is there a fair/normal contact between the players resulting in no offence being committed?
- 65 Has the attacker anticipated the contact between his opponent and himself?
- 66 Who was the initiator of the contact?
- 67 Has the player "over" exaggerated the seriousness of the foul committed?
- 68 Does the defender simulate a foul to win a free kick?
- 69 Does the player attempt to deceive the referee?

Confrontation

- 71 Were the original or initial offenders punished appropriately?
- 72 Were the actions of the players involved excessive with regard to physical contact?
- 73 Did the player(s) become involved unnecessarily by running from some distance?
- 74 Are the A/R's effective and helping prevent further confrontation between players?
- 75 Does the referee get 'too close' to the incident and become caught up in the confrontation?
- 76 Does the referee remain calm when dealing with confrontation?
- 77 Does the referee touch or push the players?
- 78 Does the referee try to separate the first players at the begining of the confrontation?
- 79 Does the 4th Official act appropriately?
- 80 Should any of the match offcials make physical contact with players or members of the technical area?
- 223 Was a least one player from each team involved in the confrontation identified and punished appropriately

	ANALYSIS OF MATCH SITUATIONS - Considerations
	Managment of restart
	Were the referees' management skills effective in controlling the restart of play ?
	Does the referee indicate to the kicker to wait for a signal to restart play?
	Does the referee succeed in ensuring that the defensive wall retreats 9.15m and remains so? How far away are the defensive players when the free kick is taken?
	Does the referee take up the most advantageous position for the restart?
	Is the ball placement acceptable?
1	Did the defender try to impide a quick restart?
	Did player provoke a confrontation by deliberately touching the ball after the referee had stopped play?
	Did the player appear to take a restart but suddenly leaving it to one of his team-mates to take it?
	Does the referee indicate or acknowledge the restart of the match after it has been stopped?
224	Were discipinary sanctions corrrectly applied?
255	Should the referee allow a 'quick' freekick in this situation?
	Dissent
101	Does a player show dissent by protesting verbally (by word) ?
102	Does a player show dissent by protesting non- verbally (by action) ?
103	Does a player act in a manner which shows a lack of respect for the game?
104	Could dissent have been avoided if the referee or AR had intervened quicker?
105	Does the referee support his colleague following a reaction by a player to a decision made by an AR?
106	Is the correct disciplinary sanctions (yellow or red card) applied?
107	Does the referee correctly differentiate between frustration and dissent?
108	Does the captain of the team show dissent by protesting?
109	Does a player attempt to get an opposing player cautioned by waving an 'imaginary card'?
	Advantage
91	Is there a team benefit if the referee applies the advantage?
92	Does the fouled player have possession of the ball after the foul is committed?
93	Is there more of a benefit applying advantage or awarding a free kick?
94	Does the foul committed deserve a yellow card?
95	Does the foul committed deserve a red card ?
96	Is the foul committed near the penalty area?
97	Does the fouled player have space to progress?
98	Are there team-mates in a good position to pass the ball to?
99	Following advantage being applied, should referee return to administer a disciplinary sanction?
100	Where on the field of play did the offence occur?
	Should the tempo/temperature of the match be considered?
226	If the player who committed the first offence had previously been cautioned, would it have been advisable to allow play to continue?
250	Is there a chance of an immediate attack?
254	Could the referee adopt "wait and see" approach by delaying the whistle?
	Concentration / Awareness
121	Is the referee aware of possible conflict in allowing the game to continue?
122	Is there immediate communication between match officials to avoid unnecessary protests or appeals?
123	Does the referee keep his focus and concentration throughout the incident?
124	Is the referee in a good position in order to make the correct decision?
125	Is the communication process appropriate in deciding who the offending player is?
1	Why is the disciplinary sanction shown to the wrong player?
	Is the referee aware of what the law allows in certain situations?
	Is the player guilty of persistently infringing the Laws of the Game?
	Is the referee aware of the tactical play of a team that breaks up play or targets individual opponents?
130	Does the referee protect a player(s) from potential serious injury?
<u> </u>	
L	

	ANALYSIS OF MATCH SITUATIONS - Considerations
111	Body Language Does the referees show signs of uncertainty?
	Does the referees body language show confidence or alertness?
	Is the referee slow to react following an incident?
	Has the referees actions inflamed the situation?
	Has the referee remained calm and in control?
-	Has the referee been influenced into taking disciplinary action?
	Does the referee use the whistke appropriately?
	Does the referee use the cards appropriately?
	Does the referee make the signals according to the guidelines for referees?
	Does the referee make the signals according to the guidelines for referees? Does the referee make his message clear to the player(s) involved?
	Does the referee raise his profile appropriately in more demanding situations?
	Should a referee remain 'neutral' and not make movements as though he is going to issue a disciplinary sanction?
220	
	Team work
	Is the AR closer to the action than the referee?
	Does the AR have a better view of the incident than the referee?
	Does the referee have a better view of the incident than the AR?
	Is the signal from the AR to the referee clear?
	Did the referee make a decision before the signal by the AR?
	Does the incident happen out of the view of the referee?
137	Does the AR inform the referee about any misconduct?
	Should one of the match officials have seen the incident?
139	Should the fourth official intervene if none of the other officials saw the incident?
140	Has teamwork broken down because of a lack of concentration ?
229	Is the AR or AAR closer to the action than the referee?
230	Does the AR or AAR have a better view of the incident than the referee?
231	Does the AR or AAR inform the referee about any misconduct?
	Should the AAR intervene if none of the other officials had seen the incident?
233	Should the referee be aware of 'upper body' or contact with the hands/arms when the Assistant is focused on
	the ball being in or out of play?
234	Does the Referee or Assistant Referee or AAR have a clear view of the incident?
235	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident?
235	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident?
	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside
141	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside?
141 142	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside
141 142 143	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body?
141 142 143 144	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball?
141 142 143 144 145	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How?
141 142 143 144 145 146	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position interfering with an opponent? How?
141 142 143 144 145 146 147 148	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position interfering with an opponent? How? Does the player in a offside position gain any advantage? Is the ball going to a player previously in a offside position after a rebound from an opponent? Does the assistant referee adopt the ?wait and see? technique?
141 142 143 144 145 146 147 148 149	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position interfering with an opponent? How? Does the player in a offside position gain any advantage? Is the ball going to a player previously in a offside position after a rebound from an opponent? Does the assistant referee adopt the ?wait and see? technique? Is there any other team-mate in an onside position that has a chance to play the ball?
141 142 143 144 145 146 147 148 149 150	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position interfering with an opponent? How? Does the player in a offside position gain any advantage? Is the ball going to a player previously in a offside position after a rebound from an opponent? Does the assistant referee adopt the ?wait and see? technique? Is there any other team-mate in an onside position that has a chance to play the ball? Does the player in an offside position challenge his opponent for the ball?
141 142 143 144 145 146 147 148 149 150 236	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position interfering with an opponent? How? Does the player in a offside position gain any advantage? Is the ball going to a player previously in a offside position after a rebound from an opponent? Does the assistant referee adopt the ?wait and see? technique? Is there any other team-mate in an onside position that has a chance to play the ball? Does the player in an offside position challenge his opponent for the ball? Does the Assistant referee give the benefit to the attacking player when the defender and attacker are in line?
141 142 143 144 145 146 147 148 149 150 236	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with play by touching the ball? Is the player in a offside position interfering with the goalkeeper? How? Is the player in a offside position gain any advantage? Is the ball going to a player previously in a offside position after a rebound from an opponent? Does the assistant referee adopt the ?wait and see? technique? Is there any other team-mate in an onside position that has a chance to play the ball? Does the player in an offside position challenge his opponent for the ball? Does the Assistant referee give the benefit to the attacking player when the defender and attacker are in line? Could the field markings help the AR to make a correct decision?
141 142 143 144 145 146 147 148 149 150 236	Is the decision given by the Referee or Assistant Referee credible given the distance they are from the incident? Offside Is the assistant referee in a good position to judge the offside? Is the player in an offside position? Which part of the body? 	ANALYSIS OF MATCH SITUATIONS - Considerations
	Miscellaneous
151	Is the foul committed inside or outside the penalty area?
152	Is the foul committed inside or outside the field of play?
153	Was the ball in play at the moment the offence was committed?
154	Does the player enter or re-enter the field of play without permission?
155	Does the ball enter the goal?
156	Was the ball deliberately kicked to the goalkeeper by a team-mate?
157	Does the goalkeeper deliberately handle the ball?
	Did the referee need to stop play in this situation?
159	Does the player prevent the goalkeeper from releasing the ball from his hands?
160	Did the player(s) deliberately delay the re-start unnecessarily?
238	Is this violent conduct or merely unsporting behaviour?
	Management of Penalty kicks
	Was the goalkeeper of the kicker in the correct position during kicks from the penalty mark?
	Did any of the attacking players fail to remain 9.15m before the kick was taken?
	Did any of the defending players fail to remain 9.15m before the kick was taken?
	Should the referee have had the penalty kick re-taken?
	Did the goalkeeper gain an unfair advantage by moving before the kick was taken?
	Did the kicker play the ball a second time before it was played by another player?
	Did the goalkeeper deliberately attempt to delay the taking of the kick by acting in an unsporting manner?
	Did the referee ensure the re-taken penalty kick was carried out in accordance with Law?
	Was the penalty kick taken correctly and in accordance with Law?
170	
	Injuries
	Should the referee have stopped the game earlier?
171	Should the referee have stopped the game earlier? Was the law correctly applied to the injured players before play was re-started?
171 172	
171 172 173	Was the law correctly applied to the injured players before play was re-started?
171 172 173 174	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier?
171 172 173 174 175	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long?
171 172 173 174 175 176	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long? Did the player exaggerate the injury to try and get an opponent cautioned or to deceive the referee?
171 172 173 174 175 176 177	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long? Did the player exaggerate the injury to try and get an opponent cautioned or to deceive the referee? Did the fourth official check the player before allowing him to continue?
171 172 173 174 175 176 177 178	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long? Did the player exaggerate the injury to try and get an opponent cautioned or to deceive the referee? Did the fourth official check the player before allowing him to continue? Did the referee play the correct 'additional time'?
171 172 173 174 175 176 177 178	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long? Did the player exaggerate the injury to try and get an opponent cautioned or to deceive the referee? Did the fourth official check the player before allowing him to continue? Did the referee play the correct 'additional time'? Was the injury assessed before calling for the stretcher?
171 172 173 174 175 176 177 178 179	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? Did the treatment of the injured player(s) take too long? Did the player exaggerate the injury to try and get an opponent cautioned or to deceive the referee? Did the fourth official check the player before allowing him to continue? Did the referee play the correct 'additional time'? Was the injury assessed before calling for the stretcher? Did the player avoid possible contact to prevent injury to himsel?
171 172 173 174 175 176 177 178 179 180	Was the law correctly applied to the injured players before play was re-started? Should the stretcher have been signalled for earlier? 	ANALYSIS OF MATCH SITUATIONS - Considerations
	Players Equipment
191	Is it permissible to wear undershorts of a different colour to the main shorts?
192	Are players allowed to play without shin guards?
193	Should a goalkeeper wear colours that distinguish him from the other players and match officials?
194	Did the player wait until there is a stoppage in play before returning to the field of play?
195	Is a player allowed to continue playing with blood on his shirt?
196	Do the colours of the basic compulsory equipment distinguish the player from his opponents?
197	Do the colours of the basic equipment distinguish the player from his opponents?
198	Do the stockings entirely cover the shin guards?
199	Do the shin guards provide a reasonable degree of protection?
200	Is a player permitted to wear jewellery?
	Is a player allowed to wear tape to cover jewellery?
	Positioning & Movement
	Is the referee too close to the incident?
	Is the referee too far away to make a credible decision?
	Is the referee's view obscured by a player(s)?
	Does the referee create a good viewing angle in order to get the correct decision?
205	Is the Assistant Referee better placed than the referee?
	Are both the referee and the assistant referee in good viewing positions?
207	Does the referee's position give him a good viewing angle?
208	Does the assistant referee's position give him a good viewing angle?
209	Does the referee anticipate play and show good acceleration and speed?
210	Does the referee ensure he keeps play between himself and his assistant?
239	Does the referee ensure he keeps play between himself and his assistant?
240	Is the lead AR within the referee's field of vision?
241	Does the referee have a good angle of vision?
247	Was the referee in a good position to make the correct decision?
251	Does the referee's position interfere with play?
252	Does the referee anticipate play and adjust his position?
	Celebration of a goal
211	Did the celebration result in excessive time wasting?
	Did the player make a gesture which was provocative?
	Did the goal scorer climb onto the perimeter fencing to celebrate?
214	Did the player remove his shirt while celebrating?
215	Did the player cover his head with his shirt when celebrating?
	Did the player use a mask to cover his head or face?
	Did the player leave the field of play to celebrate?
	Did the referee act in a preventative manner and exercise common sense?
	Did the player jump into or go amongst the spectators to celebrate?
	Did the goalscorer display a message on a under shirt or any other part of his equipment?
	Were the goalscorer's actions excessive and creating safety concerns for the spectators?
	Delaying restart of play
	Does the player delay the goalkeeper from distributing the ball into play?
244	Does the player provoke the referee into deliberately receiving a caution?
245	Should the referee consider if the player heard the whistle and clearly tried to delay the restart of play?
246	Did the player delay the restart of play by deliberately kicking the ball away?
253	Does the goalkeeper delay the re-start of play, if so how?
