FREQUENTLY ASKED QUESTIONS:

Is our league covered under Cal South’s Workers’ Compensation? Can we evidence Cal South’s Workers’ Compensation on a certificate of liability?
No.

Our league wants to host a “Casino Night” fundraiser and serve liquor. Are we covered under Cal South’s General Liability?

No. Liquor Liability is not covered under Cal South’s General Liability and a separate policy must be obtained for the event.

If our league has an office and equipment, will the Cal South General Liability program cover me for my premise’s operations?

No. The scope of coverage for the Cal South General Liability policy relates specifically to Cal South sanctioned team field events and related team activities. Offices, office contents, soccer, and field equipment are not covered.

If our league has an owned auto, will the Cal South Auto Liability program cover me for an accident?

No. The scope of coverage for the Cal South Auto Liability policy relates specifically to hired and non-owned autos for Cal South Headquarters employees, only. Personal autos are not covered.

The Sport Accident Insurance policy is considered “excess”. What if I have no primary health insurance?

If you have no valid and collectible health insurance, our coverage will become primary, and the \$1,000 deductible and 80% Coinsurance will apply. The policy pays for treatment based on usual, reasonable and customary charges for a given treatment in the city or area where treatment is provided once you have satisfied the applicable deductible and coinsurance.

Why do we need to obtain our General Liability certificates of insurance over the internet?

This is a tremendous Member Benefit provided by Cal South to our Member Leagues as part of our insurance program. It places control in the hands of our Member Leagues, who can issue Field Liability certificates at the push of a button. Membership increasingly has its privileges, and this happens to be one. You can access the eCertsOnline log-on page through www.CalSouth.com under the Parents section.

What can I do if the entity requesting the certificate of insurance requires additional wording that will not fit in the address section?

If an entity requires additional wording that will not fit on the League Liability certificate template, please contact a Cal South Staff Specialist at administrativeservices@calsouth.com.
