USYS PLAYER FEE INCREASE

In a decision made earlier this year, US Youth Soccer raised its annual per player registration fee for State Association Members from \$1.00 to \$2.25, an increase of \$1.25 per player. Although the new \$2.25 registration fee became effective for the 2019-20 playing season which began on September 1, 2019, Cal South elected to absorb the fee increase for the current registration season in order to mitigate and ease the transition for our affiliate members for the current year. The additional US Youth Soccer fee increase will be incorporated in subsequent registration periods, beginning with the 2020-21 playing season which begins on September 1, 2020.
