Tip #3: Understanding why Player Registration in Sports Connect Club Portal doesn't create a Seasonal Application in Association (Cal South)

During this time crunch leading up to the new Fall season, there have been some registrars who have had this issue come up. When registration for a player has seemingly been completed, sometimes it does not automatically create a Seasonal Application under Association (Cal South). Whether it is bad data or a player having multiple Seasonal Application (where only one is allowed), a variety of reasons could be causing the problem.

When time is of the essence, it's important to know what to look for in order to avoid the issue as much as possible moving forward. To learn more, [click here](#).
