5. Once the new window pops up it will be Game Stat Entry. In the box next to score enter the score for both Home and Away team. You will also need to report any red cards. Click on the Admin/Player from the drop down menu. Under Item Type select ejection and under Reason why the red card was given. There is legend on the left on reasons. No need to record single yellow cards only if a player is ejected for receiving double yellow cards.
